December 21, 2021

Dear Class of 2020,

I look forward to welcoming you back to campus for Memorial Day Weekend, May 27-30, 2022, to celebrate in person—at long last—Commencement for the Class of 2020.

In June, we shared preliminary information about the plans for the weekend, and today we write to provide some additional information. You’ll find the current schedule of events and registration here. For undergraduates, you will receive additional communication from your dean or department about your college-specific celebration. Graduate and professional students will receive additional information from the Graduate School, Law School or Business School.

We are, of course, continuing to monitor COVID-related developments and will keep you informed should we need to adjust our plans.

Class of 2020, I look forward to seeing you over Memorial Day Weekend and to recognizing your many accomplishments. Know of my prayers for you and your loved ones in this Christmas season.

In Notre Dame,
Rev. John I. Jenkins, C.S.C.
President
